Earning MAKE Moments is based on meeting predetermined product sales and customer acquisition qualification criteria, including sales performance and other business-related factors. These earned rewards are difficult to achieve and represent the success of a small percentage of affiliates and should not be considered typical of any individual affiliate. Individual earnings and achievements will vary greatly based on individual sales capabilities, effort, time commitment, and market conditions for our products. Affiliates must be active and in good standing at the time awarded.

A top-down view of a beach scene. In the upper left, there are long, dark palm fronds. In the upper right, a wide-brimmed straw hat with a patterned band lies on the sand. In the lower left, a mesh beach bag is partially visible. In the lower right, a pair of sunglasses with a tortoiseshell pattern lies on the sand. The sand is light-colored with some darker patches and shadows.

Earnings as a MAKE Wellness Affiliate are based on product sales to end consumers and depend on individual effort, business skills, market conditions, and other unique factors. There are no income guarantees, and success varies by individual. Most Affiliates earn modest or no income, and results are determined by dedication, time commitment, and the ability to build a customer base. Achievements such as earned trips, awards, bonuses, and rank advancements require effort, consistency, and adherence to company policies. Past performance does not guarantee future success. Please refer to our Annual Earnings Disclosure and the full MAKE Wellness Affiliate Compensation Plan for details. The Compensation Plan is subject to change.
